# About the Artist

A scientist by training, Jos decided she needed to take her creative instincts to another level. She is an enthusiastic artist. Big, bright and bold is her style.

Jos enjoys experimenting with unconventional combinations and creating the unexpected. She loves to paint blousy peonies, haughty giraffes or soaring birds, in an array of vibrant and extraordinary colours. She strives to capture their charm in a fresh, contemporary way.

She has sold her work through many galleries including Castle Galleries, the Mall Galleries, The David Shepherd Wildlife Foundation, Park Gallery (Cheltenham) and The Blossom Gallery (York).

A note from Jos Haigh:

*"I chose to donate these paintings after the extremely tough year HDFT has had dealing with a global pandemic as well as the usual challenges that healthcare brings. I wanted to say a 'rainbow' thank you to my local NHS Trust for all it has done and continues to do, so I hope these paintings will bring some colour and joy in what continues to be a difficult time."*

**Jos very much looks forward to speaking with you all at our live online auction!**

## We are Harrogate Hospital & Community Charity (HHCC)

We raise funds that make life changing differences to patients and their families at Harrogate and District NHS Foundation Trust (HDFT).

Your money, support and fantastic fundraising events help fund specialist equipment, training and services, going above and beyond the provision of the NHS to help enhance treatment and facilities for all departments and services.

Every penny from the sale of Jos' work at this event will directly benefit patients and their families here at HDFT. You can help improve patient care in our hospitals and community and make a positive impact to your local NHS.

We are so excited to be working with Jos Haigh. Jos' kind generosity will have an enormous impact on the lives of patients and their families at HDFT. We are looking forward to seeing all of Jos' lovely, vibrant artwork and of course, meeting you (virtually), our wonderful supporters of HHCC. Thanks to your help, we can continue to support the vital work at HDFT.

A note from Sammy Lambert, Business Development, Charity and Volunteer Manager:

***“We are so grateful for this incredible donation of paintings from Jos. They are beautiful and will brighten up people's homes, even more so in the knowledge that they are supporting their local NHS. We are thrilled to be hosting a live online auction event to showcase Jos' spectacular work, we very much look forward to meeting you all virtually.*”**

***Remember, we can't do what we do without your support. Winter will be an even more challenging time for us and we need your help more than ever.”***
