Spring Newsletter 2020

Dear Supporters & Fundraisers,

Welcome to our Spring Newsletter 2020! We are really excited to share with you our very first edition and hope you enjoy reading about our fantastic fundraisers. The difference your support has made and the exciting events we have coming up in 2020, will raise funds to make a difference across Harrogate and District NHS Foundation Trust.

COVID-19 is causing many challenges for everyone. We are very busy here at HHCC and supporting Harrogate and District NHS Foundation Trust whole-heartedly during this unprecedented time.

I have always been proud to work for the NHS but never more proud than I am today. The challenges we are facing, we are doing so as a family of NHS teams and individuals. We are truly humbled by the generosity of the surrounding areas and I would like to personally thank you all for your support, letters of encouragement and donations. It is amazing to know you are all supporting us during these challenging times.

As many of you will know, our Charity funds specialist equipment, training and services; going above and beyond the provision of the NHS to help improve treatment and facilities. We raise funds for all departments and services provided by Harrogate and District NHS Foundation Trust, for the benefit of patients and their families. Your donation will be used to help fund new equipment, training and to improve the environment for patients across the Hospital and wider community, where the need is greatest.

We are delighted by the amazing support we have received from our fundraising community and as a result we have been able to make a huge difference. However, we still have much more to do and there are many ways in which you can get involved, details of which you can find later in our newsletter. Your donations make a significant difference here at HDFT. We are as always committed to providing high quality care to our patients and service users whilst providing the best possible working environment for our colleagues.

Inside this issue, we will introduce you to our team; tell you about the amazing Community Spirit, the new Staff Store, Our HHCC Virtual Run Challenge, Dates for your Diaries, how to keep in Touch with us and the ways to do so.

If you would like to make a donation, fundraise or find out more about HHCC do not hesitate to get in touch – we are here to help you give valuable support.

Staff Store:

We are overwhelmed from the response our “HHCC Pop Up Store” has received. All our items are free to staff at [Harrogate and District NHS Foundation Trust](#), with the stock so kindly donated by both the local community and businesses.

We ask staff to take responsibly what they need to make life a little easier and if you wish, you can donate to HHCC to help reinvest.

While staff are still being paid, we are aware of the financial difficulties some families may be feeling and the anxiety caused queuing in supermarkets. So this was HHCC response to meet this concern and support our teams. Staff can take items and make a donation to HHCC if they wish, this will help to reinvest as required.

Once again thank you to all our corporate supporters and the community for helping to maintain stock for our store!

Community Spirit:

As everyone is aware, COVID-19 is causing many challenges and all of our staff across the organisation are working extremely hard during this unprecedented time showing their wonderful NHS spirit! Also working hard are our amazing supporters.... **YOU!**

We have been blown away with the response from the community and how everyone has pulled together in these testing times, the amount of donations you have all so kindly donated is staggering, from local businesses to members of the public we cannot thank you enough for your kindness and generosity.

It truly shows what an amazing community we have. All our colleagues are very grateful for the generosity they are receiving from you all and the donations are making a huge difference! We are looking forward to planning a Thank You Event for you all as soon as we can get together again.

The Harrogate Proms – Saturday 26 June 2021

It was with great regret earlier this month we announced the postponement of our summer event, The Harrogate Proms, due to the continuing health crisis. However, it is our intention now to perform this concert on 26 June 2021.

We are excited to be working alongside Harrogate Choral Society (HCS) and Harrogate Symphony Orchestra (HSO) to present you with The Harrogate Proms with Harrogate Symphony Orchestra and Voices for Harrogate being held at The Harrogate Convention Centre.

Two leading music organisations HCS and HSO are joining forces to present a special showcase concert, which will be compered by popular BBC Look North broadcaster Harry Gratton.

The programme will feature a feast of Operatic and Proms favourites as well as other popular works such as Carl Orff's O Fortuna, Verdi's Grand March from Aida, Jenkins' Suite from the Armed Man and Rutter's Look at the World.

All proceeds from this fantastic event will come directly to Harrogate Hospital and Community Charity.

We are still looking for sponsors and raffle prizes and although we have many fantastic ones on offer, we would love to add to them. We hope to see you there!
