Summer Newsletter 2020

Dear Supporters & Fundraisers,

We have been delighted by the response to our Spring Newsletter 2020, which came out in April earlier this year and we are very excited to share our latest news with you in our Summer Newsletter 2020! Thank you for your ongoing support.

On Sunday 5th July 2020, the NHS celebrated its 72nd birthday! Now more than ever is a time to give thanks to our colleagues here at Harrogate and District NHS Foundation Trust (HDFT). This is also an opportunity for us to say thank you back to members of our local community, businesses and community groups who have gone above and beyond to support us in these difficult times. Whilst it is a time for celebration, it is also a time for reflection and remembrance for those we have lost due to this devastating and ongoing pandemic.

The tremendous support we have received over the last few months has been invaluable! Volunteers for the Harrogate Scrubbers made over 2,000 sets of scrubs for HDFT staff to help keep home and work clothing separate. We have received hundreds of letters and cards of kind words and well wishes along with countless donations of treats, goodies and essential items to lift staff spirits and keep our staff store well stocked. This has made a huge difference to colleagues. **Thank you!**

As many of you will know, our Charity funds specialist equipment, training and services: going above and beyond the provision of the NHS to help improve treatment and facilities. We raise funds for all departments and services provided by HDFT, for the benefit of patients, their families and staff. Your donations are used to help fund new equipment, training and to improve the environment for patients across the Hospital and wider community, where the need is greatest. We still have much more to do and there are many ways in which you can get involved, details of which you can find inside.

Inside this exciting issue, we will focus on:

- Our Harrogate Hospital and Community Charity (HHCC) and Volunteer team
- The NHS 72nd birthday
- Our Wall of Hope and Encouragement
- HHCC merchandise
- How to fundraise for HHCC
- You – our wonderful fundraisers
- An update on our staff store
- Harrogate Railway FC
- And how to keep in touch with us.

If you would like to make a donation, fundraise or find out more about HHCC, do not hesitate to get in touch – we are here to help you give invaluable support to our NHS family. As always thank you to every one of you – the impact **YOU** make is huge! I look forward to an exciting year ahead and seeing you all soon!

NHS 72nd Birthday

On Sunday 5 July 2020 it was 72 years since the NHS began! HHCC and HDFT joined in the nationwide thank you to local communities including the biggest and loudest final clap for carers and key workers.

The NHS could not have responded to this challenge without the commitment and skills of its people including the dedicated team of staff at HDFT. **You may have seen and participated in some of the national events which happened. These included:**

- Saturday evening, July 4th, communities put a light in their windows in remembrance of those we have lost during the pandemic. Public buildings were lit up in NHS blue, including the Royal Albert Hall, Blackpool Tower, the Shard and the Wembley Arch.
- Sunday 5 July, 5pm a country-wide clap to say #ThankYouTogether. This major country-wide coming together was to thank all those who have been helping us through the pandemic and recognise the vital community connections that continue to support us all.

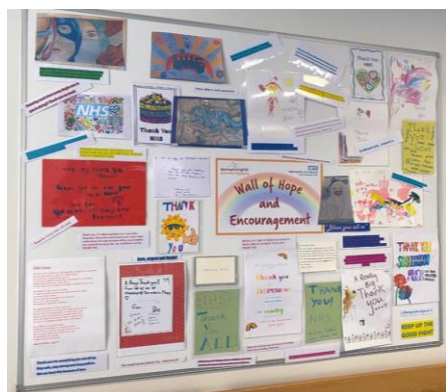

Broadcasters suspended normal transmissions at 5pm as people across the country paused what they're doing to think of others. Everybody was encouraged to stop what they were doing and join with others (following social distancing advice of course) in their streets or neighbourhoods to applaud not just the NHS and other key workers, but all those who have volunteered or helped keep services and community networks going.

HHCC have created a special thank you video comprised of staff across the trust thanking you for your support! To watch the video please scan the below QR code.

Wall of Hope and Encouragement

After receiving hundreds of cards, drawings, letters and well wishes, HHCC have created a Wall of Hope and Encouragement - located by the chapel at HDFT. The wall aims to inspire positivity to our colleagues and thank them for their hard work and dedication.

Black Shire Villains

Woodlands Ward at HDFT has received a wonderful donation from the Black Shire Villains, a local chapter of the Bearded Villains, which is an international club for bearded men with thousands of members worldwide.

The core organisation's aim is to unite men of all cultures, races, creeds and sexualities who are committed to kindness, fraternity and charity, and of course, the beard. Operating largely on Instagram (@Beardedvillains), they hold events and sell merchandise such as hats and t-shirts to raise money for a variety of causes. The local chapter (@black_shire_villains on Instagram) is made up of 16 members mostly from Yorkshire and holds social and family gatherings, as well as charity fundraisers. It has recently become a not-for-profit organisation.

Staff Store

Our "HHCC Pop Up Store" is continuing to have an incredible impact on our colleagues!

All our items are free to staff at [HDFT](#), with the stock so kindly donated by both the local community and businesses. We ask staff to take responsibly, whatever they need to make life a little easier and if they wish, a donation can be made to HHCC to help reinvest.

One community group going above and beyond in keeping our staff store well stocked is the Facebook Group: Supporters of Harrogate Hospital Pop-up Shop! They provide us with two large deliveries per week! If you would like to support them and us find them on Facebook: <https://www.facebook.com/groups/262327661691424/>

Our staff store has also had a location change and is now located by the Antenatal Clinic.

While staff are still getting paid, we are aware the financial difficulties some families may be feeling and the anxiety caused queuing in supermarkets. So this was HHCC response to meet this concern.

HHCC are also distributing donations to all our community teams, so all our colleagues can benefit!
